GREETINGS FROM CANCER STEM CELLS 2019!

We would like to invite you to become a sponsor at the “12th International Conference on Cancer Stem Cell and Oncology Research” to be held in Valencia, Spain on July 18-19, 2019.

Cancer Stem Cells 2019 is a unique opportunity for your organization to connect with up to 250 leading healthcare professionals who work in a variety of academics, research, industry, government and private sectors.

The Organizing Committee is diligently working on bringing the most knowledgeable researchers from all over the world, as well as leaders in the industry to explore the recent happenings in Cancer Stem Cells and Global Health through an energizing and informative program of speakers, and facilitating networking and business opportunities for sponsors through an interactive exhibition and a dynamic program of social events.

This high-profile event would be a great chance to present your company among the most representative group of people so doesn't miss this opportunity to enhance your brand and demonstrate your leadership at Cancer Stem Cell and Oncology Research.

Sponsors and exhibitors will receive acknowledgement prior to, during and after the conference through conference materials and the website, and enjoy significant contact with delegates during the exhibition and social events.

We offer a wide range of sponsorship opportunities to suit your needs. We encourage you to review the enclosed details and respond quickly, as we expect to sell out.

We look forward to your participation in this premier industry event, and welcoming you to Valencia in July 2019.

Sincerely,
Organizing Committee.

SCOPE AND TOPICS

The scope of the conference covers all the niche research arenas in Cancer Stem Cells research happening around the world. The latest achievements of Cancer Stem Cells and technological developments will be presented and thoroughly discussed through a series of Key Notes, Plenaries, Workshops, Symposia and Poster sessions. A broad spectrum of research and innovation activities will range from basic research to application-oriented multidisciplinary tracks and sub-tracks will be addressed at the Cancer Stem Cells 2019.

WHY SPONSOR?

Sponsoring the Targeting the Roots of Cancer Conference builds visibility for your brand, connects you with the industries, institutes, academicians, researchers, practitioners, students and other key stakeholders which gives you a forum to share your organization's expertise.

Whether you are trying to reach your target audience at the international, national or local level, aligning your company with this conference will win your brand valuable exposure to 300+ attendees including the best talents in industry and academia.

Cancer Stem Cells 2019 wants to partner with you and offer a unique platform for you to interact with an audience of international specialists allowing you:

- Wide acknowledgment of your organization leading up to and during the conference.
- Promote and Showcase you can present your brand, company and products to our attendees, and meet potential clients and new employees face to face.
- Excellent networking opportunities during the Conference to promote your products and services to a relevant target audience.
- An opportunity to utilize the Conference experience to showcase your organization's position of support for these important research areas.
- An opportunity to source new contacts and business leads or maintain relationships with existing researchers, customers, suppliers and important institutions.
- An opportunity for your key staff to connect face to face with the most influential people, bodies and organizations representing from diverse research areas at one place over a short period of time.
- The possibility to launch new initiatives, products or services directly to your primary market.
- Gaining access to Conference attendees who are keen to improve their knowledge within the field, and through your organization's support, closely align your organization with attendees' professional development on a personal level.
- Competitive advantage you’ll stand out if you’re a sponsor and your major competitors aren’t. If your competitors have already decided to be sponsors, your sponsorship becomes even more important, to assert your comparative market strength.
