2nd International Conference on

PHYSICAL AND
THEORETICAL CHEMISTRY

November 18-19, 2019 | Rome, Italy

http://physicalchemistry.alliedacademies.com/
physicalchemistry@alliedscholars.com
Dear Prospective Sponsor/Exhibitor

Scope and Topics

The scope of the conference covers all the niche research arenas in Physical and Theoretical Chemistry research happening around the world. The latest achievements of Physical and Theoretical Chemistry and technological developments will be presented and thoroughly discussed through a series of Key Notes, Plenaries, Workshops, Symposiums and Poster sessions. A broad spectrum of research and innovation activities will range from basic research to application-oriented multidisciplinary tracks and sub tracks will be addressed at the Physical Chemistry 2019.
Sponsoring the Changing the World by Exploring the Emerging Trends in Physical and Theoretical Chemistry Conference builds visibility for your brand, connects you with the industries, institutes, academicians, researchers, practitioners, students and other key stakeholders which gives you a forum to share your organization's expertise.

Whether you are trying to reach your target audience at the international, national or local level, aligning your company with this conference will win your brand valuable exposure to 300+ attendees including the best talents in industry and academia.

Physical Chemistry 2019 wants to partner with you and offer a unique platform for you to interact with an audience of international specialists allowing you:

- Wide acknowledgment of your organization leading up to and during the conference.
- Promote and Showcase you can present your brand, company and products to our attendees, and meet potential clients and new employees face to face.
- Excellent networking opportunities during the Conference to promote your products and services to a relevant target audience.
- An opportunity to utilize the Conference experience to showcase your organization's position of support for these important research areas.
- An opportunity to source new contacts and business leads or maintain relationships with existing researchers, customers, suppliers and important institutions.
- An opportunity for your key staff to connect face to face with the most influential people, bodies and organizations representing from diverse research areas at one place over a short period of time.
- The possibility to launch new initiatives, products or services directly to your primary market.
- Gaining access to Conference attendees who are keen to improve their knowledge within the field, and through your organization's support, closely align your organization with attendees' professional development on a personal level.
- Competitive advantage you'll stand out if you're a sponsor and your major competitors aren't. If your competitors have already decided to be sponsors, your sponsorship becomes even more important, to assert your comparative market strength.

**WHY SPONSOR?**

**CONFERENCE HIGHLIGHTS**

- Physical Chemistry and Biochemistry
- Theoretical and Computational Chemistry
- Chemical Kinetics and Reaction Engineering
- Electrochemistry
- Quantum Chemistry and Faraday Discussions
- Femto-chemistry
- Spectroscopy and Analytical Techniques
- Solid State Chemistry
- Coordination Chemistry
- Biophysical Chemistry
- Organic-Inorganic Chemistry
- Material Science and Engineering
- Polymer Chemistry
- Nano-Science and Nano-Technology
- Cytotechnology and Forensic Chemistry
- Pharmacokinetics and Pharmacodynamics
- Biomass and Green Energy
